## HEALTH & WELLNESS CLINIC

210 East Park Avenue Luck, WI, 54837 715-472-7770

Dear Dental Professional,

Home and Away Ministries (Home), a 501c3 nonprofit, has over 10 years of serving children, parents, elderly people, economically disadvantaged adults and families, and families with low resources or in crisis due to the economic conditions. Home is inspired by the Gospel to provide free primary healthcare services to Polk and Burnett County residents with low resources. This includes both the uninsured and the underinsured.

Currently our Health and Wellness Clinic, located in the Home and Away Ministry in Luck, provides free medical and social services that promote dignity in the people being served.

Home is in the process of establishing a free Dental Clinic that will provide dental care services which will include everything but orthodontia:

- Check-ups
- Cleaning
- Cavities
- Root canal
- Extraction

We need your professional help in getting the dental clinic established and are looking for Dentists, Hygienists, and Dental Assistants interested in providing treatment. Even volunteering once a year would be a help to our clinic. We are also in great need of any dental products or instruments your clinic may be able to donate. Since Home is a not for profit clinic any items donated should be tax deductible.

Home has an ongoing relationship with Patterson Dental, and our dental clinic has 5 dental rooms with dental chairs and is not affiliated with any denomination. Our mission is to serve the whole community, regardless of race, religion or ethnicity.

If you are interested in further information or have dental products to donate please contact Patti Hurd at 715-472-7770 or [info@myfreeclinic.org](mailto:info@myfreeclinic.org) or Dr. Johnson at [john5843@umn.edu](mailto:john5843@umn.edu).

Thank you for your consideration,

Tim Johnson, DDS
